Commission Settles With Donaldson For \$12,000

The Coffee County Commission met in regular session on Monday, September 9, at the Courthouse in Enterprise and agreed to pay former Tax Assessor Fred Donaldson \$12,000 to cover personal expenses he incurred during the tax reappraisal program. Donaldson, who retired last spring, claimed the Commission should pay him over \$20,000 for money he spent to hire additional help needed to update the tax records. The claim was filed several months ago, but the Commission delayed taking any action on the request because its members were split on whether or not the county did owe Donaldson anything.

Donaldson acquired legal aid in his effort to gain reimbursement and in recent weeks, rumors abounded of a lawsuit to be filed against the county. Legal representatives of both parties negotiated the differences, and upon recommendation of the county attorney, the Commission approved to compromise and pay \$12,000. The money will be shared by the county, cities and school systems in Coffee County.

The meeting began at 10:00 a.m. with all members present. The commissioners are Rex Boutwell, Gilmer Grant, Jack Hornsby, Bennie Beckham, Max Reeves, Don Smith and Probate Judge James L. Sawyer. The meeting's first order of business was to open bids on tax assessment sheets, and stone.

The stone, which is listed as 467 stone, will be used by the County Highway Department. Bids came from: Thompson Trucking Co. - \$7.35 per ton; Southeast Materials Corp. - \$8.55 per ton; and Vulcan Materials Co. - \$9.70 per ton. The commission unanimously accepted the low bid.

Bids for 20,000 tax assessment sheets came from: Roberts & Sons - \$1843; Jones Office Supply - \$2500; and Tyler Office Supply - \$1450. Upon the recommendation of Tax Assessor Mack McKinney, the Commission voted to accept the low bid.

pliance with the needed repairs, and stated they had informed Sheriff Grantham on many occasions to do all needed repairs at the jail.

The County's garbage problem was again discussed, and again in the center of the discussion was Mr. Frank Moore of Solid Waste Enterprises. Commission members reported that Moore is still increasing fees for garbage pick-up and questioned the legality of the fee increase.

County Attorney Warren Rowe met with the Commission on the matter, and stated, "He is in total non-compliance with the contract. The contract clearly states that fees may only be raised by the Commission, and I think the County can use this as breach of contract. I think Moore can be forced to pay back for overcharges. The contract states Moore can't charge more than 75¢ per cubic yard (\$3 per container) - that's it."

The Commission instructed Rowe to send a letter to Moore informing him of the breach of contract. Mr. Buck Tindol, Landfill Manager, told the Commission he had received a check from Mr. Moore for using the landfill in July and August, and that Moore had deducted \$75 from the bill to cover repairs he had to make on the county garbage truck he had leased. Mr. Tindol told the Commission the truck was in good shape when Moore picked it up, and the contract required the truck be in identical condition when returned. Tindol asked the Commission what to do with the check.

The Commission agreed that Moore owed the \$75 deducted from the bill, and asked County Attorney Warren Rowe to add a paragraph on the other letter telling Moore he still owes \$75.

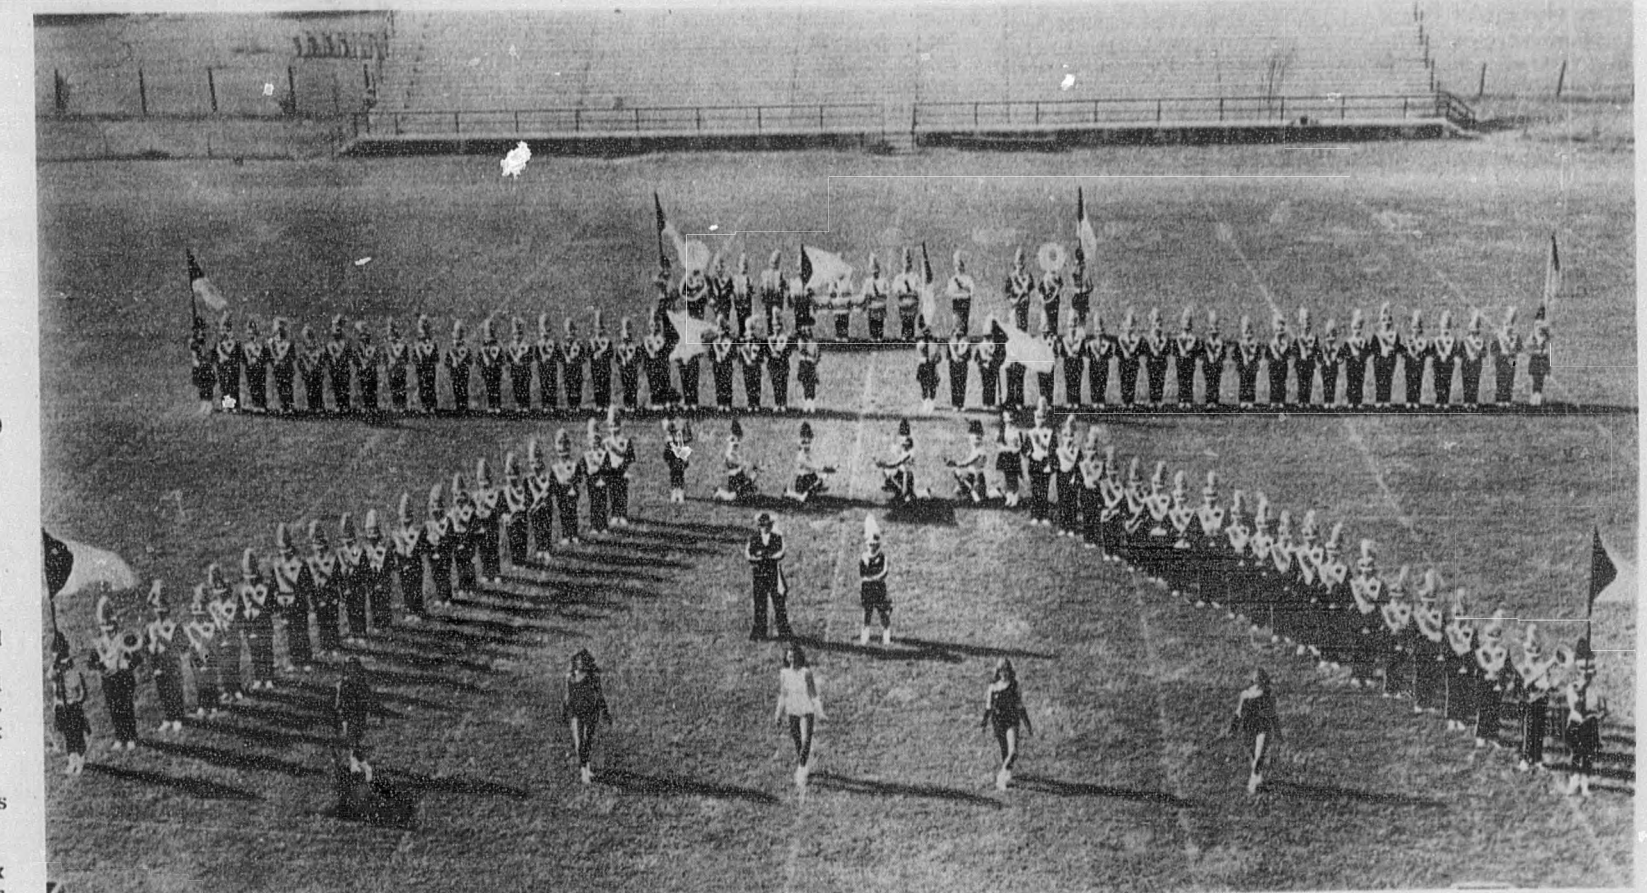

In other action at Monday's commission meeting, the Commission: ***Heard Commissioner Rex Boutwell request the news media explain all the workings of the upcoming Tax Relief Bill on the November 7 ballot; ***Was informed Roadbank Stabilization work in the county had been approved at the cost of \$50,000; ***Read a letter from Mr. Ron Smith, Pensions & Security Director, thanking the Commission for its aid and informing it that he was unsuccessful in acquiring extra funds to pay the county for rent of office space;

***Approved a Federal Review for \$75,800 in funds for the City of Elba to expand the water system; ***Decided to meet with state tax officials before renewing a mapping contract for \$15,000 annually; ***Approved paying a bill for \$384 from the Bethany Water Authority for moving water meters when a road was widened;

***Approved the transfer of \$31,300 from the Road Bridge Fund to the General Fund and Public Highway & Traffic Fund; ***Approved an estimate of \$1,600 as the county's share for moving poles on the Moates Road; ***Agreed to have floors stripped and waxed at Farm Center Complex and then turn maintenance over to workers in the offices;

***Was told all locks at the Farm Center had been changed and that all new keys had to be signed for; ***Was informed that the Wrestling Association had agreed to pay rent of \$250 per event for use of Farm Center; ***Asked County Attorney Rowe if his firm could handle indigent cases in an attempt to save money in legal fees, and

***Paid bills. The next scheduled meeting will be on Monday, September 25, in Enterprise, at 10:00 a.m.

Elba Band To Compete In Marching Contest Saturday

Board Approves Budget In \$2 Million Range

The Elba Water and Electric Board met Tuesday night with all members present. Several items of routine business were discussed, the largest being the approval of the budget for the coming year. Estimated income for the department is fast approaching two million dollars, with the actual estimate being \$1,950,687.00.

By far the largest expenditure for the department is the \$1,364,500 for the purchase of electricity from the Alabama Electric Coop. This figure could be higher if anticipated rate increases are higher than expected. An additional \$95,137.64 is earmarked for interest and principal payments on bond money borrowed in years past.

Board Chairman Charles Hayes noted that he was presenting a balanced budget as required by law, and that by constantly watching expenses, the budget would work. A chart presented to the board members indicated that there are 51 utility users late with their payments; and total \$1,113.14; five accounts totaling \$243.76 are classified as inactive but have deposits to apply. Also five have been pulled for non-payment totaling \$211.26. These non-payment cases must pay a re-

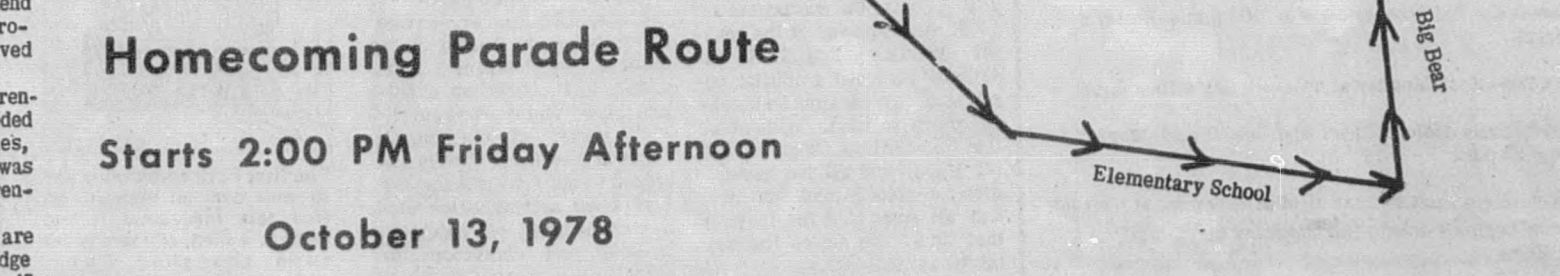

connect fee to again get service. Mayor Robert Folsom requested the transfer of \$5,000 to the City of Elba general fund, and this was approved. Folsom didn't specify exactly what he needed the funds for, only that the city needed them for a special project.

The Board approved a full-power application from Billy Gibbs for \$150; formally adopted a pay schedule; authorized seeking bids on three economy trucks and payment of bills totaling \$5,114.80. Board member Mike Russell recommended the purchase of both a

twelve-inch and a sixteen-inch bucket for the backhoe to cut down on the amount of patching to city streets. This was approved by the Board. Superintendent Ed Compton requested permission to cut three trees at the Robert Cooper home. He noted the trees could cause trouble to power lines if they fell. The Board approved the cutting of these three trees. Compton also received permission to hire one additional man to work on the water repair crews.

Lawnsuit Is Dropped By Police Chief Johnston

Courthouse officials reported Wednesday that a formal petition to dismiss had been filed Tuesday in the lawsuit of M. W. Johnston against Elba Mayor Robert Folsom. The request was filed on the final day to answer and was filed by Johnston's lawyer.

Homecoming Parade Route Starts 2:00 PM Friday Afternoon October 13, 1978

POOR ORIGINAL

BRAINSTORMS

WITH FERRIN COX

Wall the National Football League owners did meet and they did make a decision about the dress code for cheerleaders. The decision they made was for each team to handle its own problems. With the New Orleans Saints now have solved their problem—they disbanded the entire group! Another team fired a cheerleader because she forgot to put her uniform on before posing for a certain magazine. While all this was going on, the Dallas Cowboys, who started the race for the most attention—getting girls, are still staying their girls are obeying the strict rules for on the field and off the field activities and they have no problem.

Republican Jim Martin is jumping with joy (or something) as he praises Democratic U. S. Senatorial nominee Howie Heflin. Just a few weeks ago Martin was saying how Heflin was and would act in Washington. Now since Martin has changed races, trying to find a week sister to run against, it is "Me and Heflin are what you need". Sorry Mr. Martin, I have a little better memory than that. Give us average folks credit for having.

The matter of the mayor-police chief (with the city council somewhere in the middle or on the edge) is apparently about to settle itself, but never fear, something else is on the horizon to take its place. An attempt to hire a new recreational director is taking some all too familiar turns. I am afraid that the end results will be that everyone gets hurt, and it is all so unnecessary. Adding insult to injury as someone noted earlier this week is that so many important things must go on while we fuss and fight and only amuse those who watch from outside.

The wet-dry issue will not be on the ballot November 7 as previously announced. The official word is the vote decided the low turn-out was not good for the issue. However, when the original deadline to get on the September 5 passed without then getting enough signatures, I expected this to happen. Also, the idea of waiting until they need fewer signatures is kidding themselves because the legal requirements are easy, and if you can't get enough signatures they surely can't get enough votes to legalize the sale of alcoholic beverages.

We all fuss about our utility bills and often with just cause. However, I feel for the man who asked the Elba Utility Department to change out his light meter. Later when they routinely checked the meter and found it was not fast but actually four percent slow, he begged for it back. But, alas, that is not the way the game is played, and now his bill will be even higher because it is being registered correctly.

Don't get overly excited about the big tax cuts Congress is promising us. They have already passed increase in the Social Security taxes that will more than make up for the gains of reduction they "give" us.

The newly reorganized Elba Jaycees are planning a Merchants Day for November 18. They have a lot of plans for that Saturday, and with the full co-operation of local citizens, this could be a success.

THOUSANDS OF YOUR NEIGHBORS EARN AN EXTRA INCOME WITH US.

LETTERS TO THE EDITOR

GOOD NEWS FOUND IN ELBA SCHOOL

Thursday we went to the Elba Elementary School to look and to learn the accomplishments as they are. There is no way to get all of this in words. You would just have to be there and see for yourself.

We at times hear the bad things, but we also need to know the good things. One of the many things we learned is that Elba has the highest score in the State in Fourth Grade point rating. Our Elba schools have had the best leadership when it comes to guidance and shaping of the young lives; this goes for the teachers and other personnel. As you know, it could not have been accomplished in any other way. There has been some concern all over our state in regard to extra emphasis on teaching in the early grades. The kindergarten, first, second, third and fourth grade teachers used good methods and did a splendid job of teaching to lay all this foundation for the highest scores in the State on all subjects in the fourth grade.

Some parents need to be helped. The good study habits which help the capable teachers to lead them to first place, we think that everyone concerned needs a work of praise for this level of attainment. They surely can't get enough votes to legalize the sale of alcoholic beverages.

We all fuss about our utility bills and often with just cause. However, I feel for the man who asked the Elba Utility Department to change out his light meter. Later when they routinely checked the meter and found it was not fast but actually four percent slow, he begged for it back. But, alas, that is not the way the game is played, and now his bill will be even higher because it is being registered correctly.

We say that you have a good investment in your schools and your children. All those who give diligent attention and show a high degree of interest in them are to be commended. This will pay good dividends. BY: MR. AND MRS. JOHN LOWERY

City Council Debates Issue On Recreation

The Elba City Council is in discord over a motion to hire Dennis Smith as recreation director and allow present director Bo Dunaway to concentrate on the nutrition program.

The proposal was presented at the last council meeting by councilman Jimmy Wise and was quickly seconded by Councilman Mike Russell. The motion included a salary of \$14,000 and an automobile to be used by the recreation director.

After some discussion it became apparent that the councilmen were divided and Mayor Folsom was opposed to the motion. With Wise, Russell and Councilman Cleo Hawkins voting for the motion and Councilman D. M. English and John W. Sharpless voting against the motion to hire, Folsom's vote would have tied the vote at 3-3, and it would have died. However, Sharpless expressed his support of Smith and said, "He is one of my boys at school." I don't want to see him hurt and in hopes we can work this out. I move we table the action until the next meeting. This motion passed 4-2 with Wise and Russell opposing the postponement.

It was reported at the council meeting that Smith had already resigned a similar position at Opp because he wanted to return to Elba. He was noted that this had been discussed with the Mayor and all the councilmen previously and that they had all supported the move at that time. No action had been taken on the matter at press time.

Flinn Flamers Caught In Elba

Three alleged "flinners" were caught in short time last Friday in Elba, and all the money they had got from two citizens was recovered.

Apprehended by the Elba Police Department before they could get out of town were Charles H. Halliday of Tampa, Florida; Ted Doster of Cocoa Beach, Florida; and Theodore J. Williamson of Athens, Ala.

The three men had been reported to the Police Department by Mrs. Johnnie Yelverton after a neighbor, a Mrs. Stewart came over to tell her what had happened. According to Police reports, the men had told Mrs. Stewart they were working for the county and her house had to be repaired or she would have to move.

Mrs. Stewart's money and Mr. Coleman's money and gun were returned to them. Police officers made the arrest within 12 minutes from the time of Mrs. Yelverton's call.

191st Trains On The Job At Ft. Benning

BY: DON GRIFFIS

Capt. Joe Johnson is proud of his 191st Maintenance Company in the U. S. Army Reserve. As the youngest active maintenance company in the state, the company is earning a reputation for being composed of fast and willing learners.

For two weeks, August 6-19, the 191st Company, under Capt. Johnson's command, was stationed at Ft. Benning, Ga., for training. The football field is not the only place to cheer and to say "hurray!" Some parents need to be helped. The good study habits which help the capable teachers to lead them to first place, we think that everyone concerned needs a work of praise for this level of attainment. They surely can't get enough votes to legalize the sale of alcoholic beverages.

The 191st Maintenance Company was activated as an Army Reserve Unit on April 1, in Elba, with an inaugural ceremony, including a barbecue for 150 guests, attended by Gen. James Smith and Gen. Drew Redden.

As members of the Army Reserve, all the men in the 191st Company are required to drill one weekend a month and attend a two-week training camp once a year. For their first camp, the 191st was attached to the 598th Maintenance Company permanently stationed at Ft. Benning, and was quartered in the barracks for enlisted men.

"We rose at 6:00 a.m. every morning for physical training from 6:15 to 7:00 a.m.," Capt. Johnson said. "This was in preparation for a four-mile course that we would all have to march while at camp. At 7:00 a.m. the men were free to shower, change, prepare for the work day, and eat breakfast before the 8:30 a.m. work call."

"At the 8:30 a.m. formation, our men received their work assignments and were directed where to go for on-the-job training. All the training hours they received through correspondence training or by civilian acquired skills."

When asked what different maintenance sectors his men had been assigned to he said, "We had several men assigned to Maintenance Control, which is the heart of all maintenance operations. It's there that the Technical Inspector checks necessary paperwork for completion of maintenance or repair. Then the work is assigned to the correct place, for example, the body shop. The man may then notify the Technical Supply section to provide needed parts or supplies."

"Also, we had five men assigned to Communications and Electronics repair where they trained in the operations and repair of military test equipment, radios, walkie-talkies, televisions and other equipment."

LTC. William Austin, Battalion Commander, visited Ft. Benning on August 9 to observe the company's progress, and offered an excellent report on the young 191st.

"Twenty of our men," Johnson said, "were assigned to the Power Generator Equipment section which uses a combination of hands-on training and classroom instruction to teach the operation."

Johnson said that the first Ford automobile had to wait over an hour for its first test run, since it was built in a shed, and was wider than the shed door.

N.S. Increases Interest In Properties

National Security Insurance Company today announced that it has increased its interest in a 4500 acre tract of land in East Tennessee. The purchase price of \$1,077 million for the additional interest included a mortgage held by the company.

J. R. Brunson, President, commented, "This additional purchase increases our interest from 56.5% to 94% in the land. The property, known as the Boyle Plantation, is located in Morgan County, Tennessee, near Knoxville, and contains marketable timber, coal, and natural gas reserves."

The Company still plans to resell the property or to develop the natural resources, Mr. Brunson explained. National Security Insurance Company sells a complete line of life, fire and casualty insurance policies. The Company's shares are traded in the over-the-counter market with the NASDAQ symbol NSIC.

Kathy Cowen To Head St. Jude Drive

Mrs. Kathy Cowen of Elba has been named to head the 1978 Door-to-Door March in Elba for the St. Jude Children's Research Hospital.

The Elba Jayceettes and other key volunteers will be marching during the week of October 17-22. They will be calling on their neighbors to make donations for the St. Jude Children's Research Hospital in Memphis, Tennessee.

The volunteers will be wearing a badge with a picture of Danny Thomas and the words "I MARCH WITH DANNY" on it. The Hospital was founded by Thomas in 1962.

Mrs. Cowen also announced plans for a road block for St. Jude's on Saturday, October 21, at the Elba High School gym after the Davisville ball game.

Bob Espey, St. Jude's Southern Regional Director, said, "St. Jude Children's Research Hospital offers hope to stricken children everywhere. St. Jude is the only research center dedicated exclusively to the study and conquest of catastrophic diseases of children. Its work, particularly in leukemia and other childhood cancers, has been internationally acclaimed and cited as a leading example for basic and clinical research. No one has ever been charged for the benefits provided by St. Jude, and this includes the extremely expensive total medical care provided to children enrolled in its research study."

Mrs. Cowen had this to say: "St. Jude is presently treating 3300 children, 143 of which are from Alabama. So you can see that St. Jude is touching us in Alabama with its treatment of children stricken with cancer. We hope the people of Elba will support this fund drive for St. Jude and give what they can when a volunteer calls on them."

Magazine Sale Nets \$1400

By: Rachel Bryan

The annual Junior Class Magazine Sale is finally over for one more year and each member of the Junior Class has a stomach ache from chocolate candy (they got a super size bar each time they sold a "Reader's Digest"). In addition, their bedroom walls are papered with pictures of cats and/or skateboards (they got one poster for every two subscriptions they sold) and

they have a variety of mugs to drink from (either Auburn or Alabama—whichever one they are in the mood for). They got one mug for every six subscriptions they sold. Top seller Chris Sanders sold 43 subscriptions. His mother lacks one mug having a set of eight. Chris also won an AM/FM Radio/Tape player. Suzanne Sanders sold 39 subscriptions and won an AM/FM Radio. Sandra Grant

won a camera selling 33 subscriptions and Lisa Annmons won a calculator with 28 subscriptions. The Juniors will use their profit to give the Seniors a Prom in the spring of the year. The total sales were \$1400 and a total of 421 subscriptions were sold.

Guess Who

A senior who now has no curls—let alone one in the middle of her forehead! With the clipboard in hand, on Fridays you'll see, not during the day but at night, at home and away.

Who doesn't charge extra for house calls?

We don't...we're General Telephone.

If anything ever goes wrong with a phone you rent from us we'll be there to fix it.

And we don't charge you an extra cent for the visit.

This is true whether it's simply a

question of fixing a loose wire, or repairing a couple of miles of phone line that a tornado knocked down.

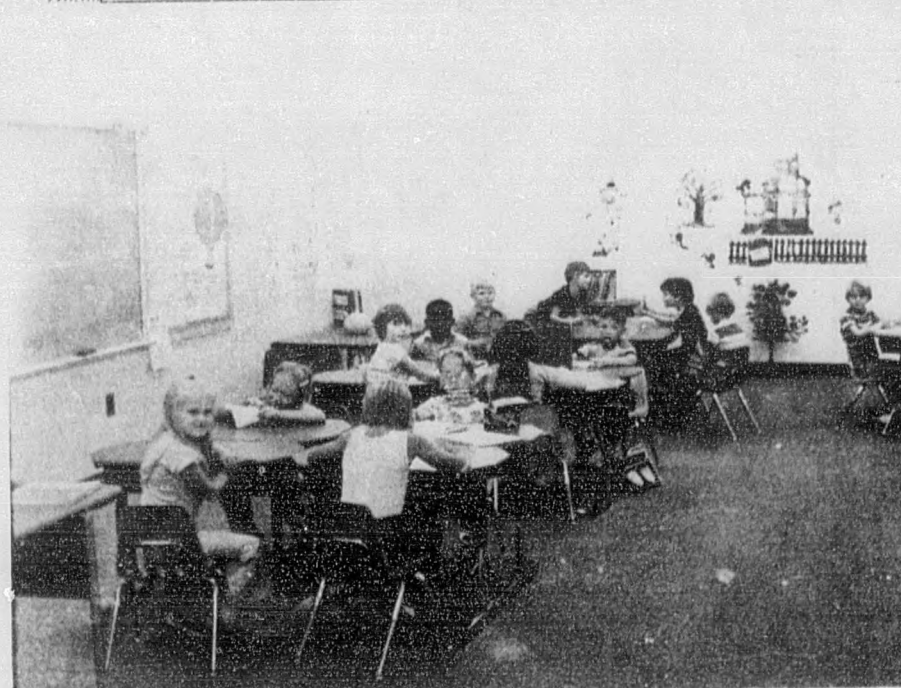

We realize how important it is to keep you in touch with your world. We work at every level—from incredibly complex equipment that

directs long distance calls via satellite, to a wide selection of phones that aren't only reliable, but also available in exciting colors and styles to match your every mood and decor. And every one guaranteed for life.

We spend hundreds of millions of dollars every year, making sure that when you pick up your phone... it works.

We keep you talking.

News From The Little Rebels

In last week's edition of the ELBA CLIPPER, the News from the young Rebels featured the two second grades at the Zion Chapel Elementary School. Pictures taken were of Mrs. Janice McCall's

class. This week, related to the same article is pictured the other section of the second grade. This class is taught by Mrs. Roy Young. These two sections of the second grade are two separate classrooms. Students do work together in certain activities as one large group but then return to their separate classes. Pictured above is Grade two and Mrs. Roy Young.

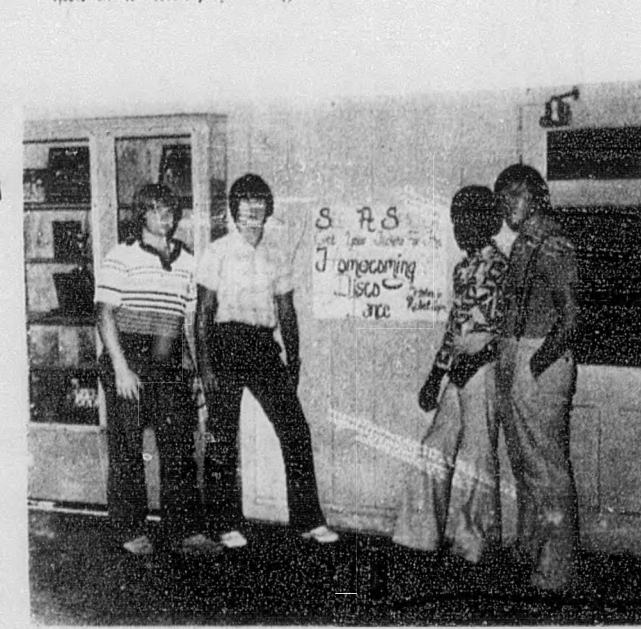

down to get a drink when I saw Corky Ward running from the field like a HOT CHILD IN THE CITY. He was tracking it so fast that I thought he had on his BOOGIE SHOES. He must have had some kind of NIGHT FEVER because nobody could stop him. I asked him why he was running so fast and he told me it was TOO HOT TO TROT. After that fantastic play I looked over at Coach Collins and he thought he was KING TUT. Well it was the other team's turn with the ball when the guy that had it yelled, "I'M A BRIGHT SONER. I can't get by them." After he yelled, "GET OFF" a few times, the Coaches had to carry him to the side lines. His whole body was broken and aching, and THAT'S HOW MUCH I FEEL was all he could say. He said, "LIFE'S BEEN GOOD TO ME SO FAR. I'm too young to die." The Rebels

REMEMBER

By: Eric Enger

Remember the time you let me borrow your new car and I smashed the fender?
I thought you'd kill me, but you didn't.
And remember the time I spilled my coke on your new rug?
I thought you'd kill me, but you didn't.
Remember the time I flirted with the guys to make you jealous?

I thought you'd kill me, but you didn't.
And the time you brought me to the beach and you said it would rain? And it did.
I thought you'd scream "I told you so!" But you didn't.
I wanted to make all those things up to you when you came home from Vietnam, but you didn't.

Jr. Student Council Representatives

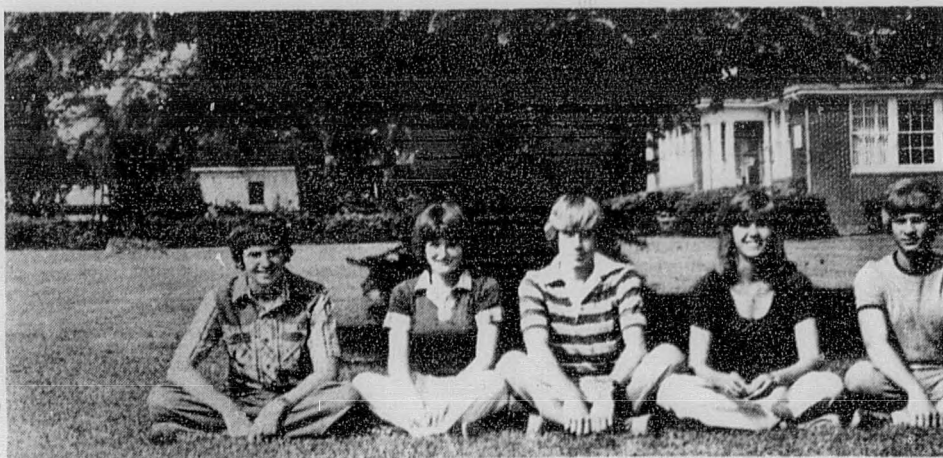

The Elba Junior High Student Council met Thursday, October 5, 1978. Twelve representatives were elected and they are as follows:
7th grade--Felisha Robinson, Wendy Bowers, Margaret Cox, Michele Farris; 8th grade--Stanley Barnes, Brad English, Lisa Daniels, Rickey Lov-
vorn; 9th grade--Molly Walker, Melissa Martin, Buddy Clark, Yonda Marler.

You Know It's A Bad Day When...

...You stay up until 1 a.m. studying for a test, get to school, and find out you studied the wrong subject.
...You get up and get ready for school, then find out it's Saturday morning.
...You come home from bad camp and your parents have left with no forwarding address.
...Someone walks up to you and says, "Your pants are split."
...You drive 200 miles to a marching contest and realize you've forgotten your horn.
...Everybody tells you to shut up.
...You wear the other team's colors to the ballgame.
...You lock your keys in your car.
...Your class ring comes in and it's two sizes too small.

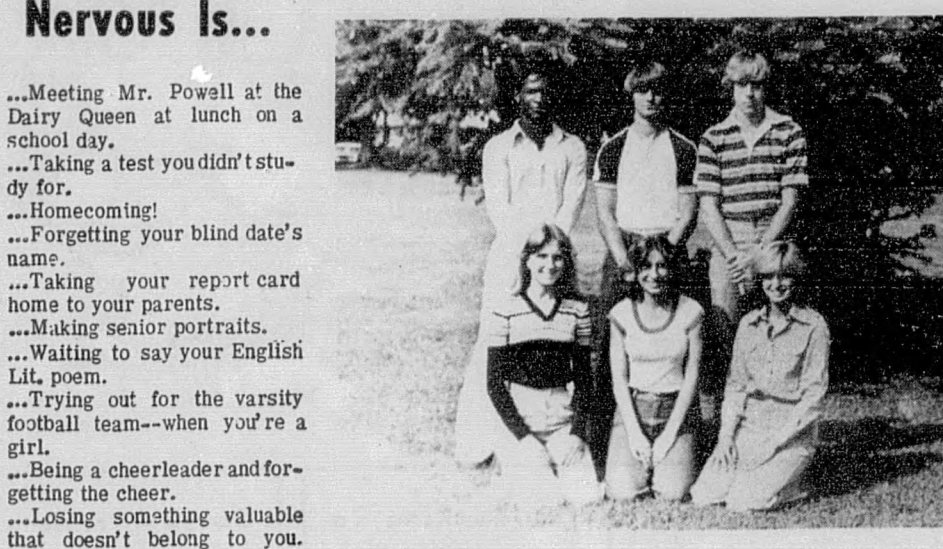

??Guess Who??

Grade: 12
Favorite Food: Hamburgers
Favorite Teacher: Ms. Butts
Favorite Subject: P. E.
Favorite Pastime: Girl Watching

Prep Bowl Team To Compete

The Elba High School Prep Bowl team will compete against Central High School of Phoenix City in the Troy State University High School Prep Bowl tournament. The group consists of scholastically skilled

students. The team members who will be competing in the first match are Andy Ballard, Lyndi Smart, Michael Henne, first alternate, Terri Davis and Jay Harper. Other team members are Mar-
rie Jones, Toni Dubisar, Anita Mobley, Melanie Scarborough, Lynne Norman and Eddie Kelley (not pictured). Mrs. Jimmie Davis is the team sponsor.

Nervous Is...

...Meeting Mr. Powell at the Dairy Queen at lunch on a school day.
...Taking a test you didn't study for.
...Homecoming!
...Forgetting your blind date's name.
...Taking your report card home to your parents.
...Making senior portraits.
...Waiting to say your English Lit. poem.
...Trying out for the varsity football team—when you're a girl.
...Being a cheerleader and forgetting the cheer.
...Losing something valuable that doesn't belong to you.

Homecoming Queen And Court Elected

Homecoming is upon us again, and the students of Elba High School joined together in electing Homecoming Queen and her court for 1978-79. The reigning Queen is Miss Lynn Whitehurst. Attendants are as follows:
Senior Attendant--Sandra Daniels
Junior Attendant--Betsy Brunson
Sophomore Attendant--Nita Calhoun
Freshman Attendant--Julie Mauldin
Black Attendant--Patty Williams

Homecoming Dance To Be Held After Game

The Homecoming Dance this year will be sponsored by the Beta Club and held in the gym. Providing music for the occasion will be Costee McNaughton from Tuskegee. Admission for the dance will be \$1.50 for stag and \$3.00 for couples. Free refreshments will be served in the lobby of the gym. The dance will be from 9:30 until 12 midnight.

248 FACTORY-ELBA AL.

Sophomore fullback Bobby English (42) heads upfield en route to an 61-yard touchdown scamper on the first play of the second half.

Touchdown! Don Horstead (33) barely crosses the goal line, but it still counts as Elba goes on top 7-3.

Sack! Elba lineman Richie Brown (55) tackles Troy quarterback Mark Davis (14) for a 4-yard loss.

Perry Fuller (37) is escorted by Russ Wood (89) as he returns a Troy kickoff.

Elba Tigers Run Wild In 35-17 Win Over Troy

The Elba Tigers rushed for 314 yards last week to trample the winless Troy Trojans 35-17 in Troy. Pacing the awesome Tiger attack was Don Horstead with 165 yards in 21 carries and Bobby English with 111 yards in only 6 carries. The win upped Elba's record to 5-4, while the loss dropped Troy's slate to 0-6.

Troy received the opening kick and drove to the Elba eight yardline. The Trojans had the ball second down and one at the eight, but two plays later it was 4th down and six. However, Elba rumbled the ball right back and at halftime, Elba owned a slim 14-11 lead.

The Elba defense stopped Troy on the opening possession and the offense took over and marched 95 yards for a touchdown. The long march started in the shadows of the goalpost and the Trojans had to cross the goal line three times before it finally notched a score. Don Horstead broke loose on the second play of the drive and raced 93 yards for an apparent score. However, the sophomore runner waved the ball over his head in jubilation after pulling away from the would-be defenders and the refs threw a flag for unsportsmanlike conduct. The penalty brought the ball back to the

Troy 47 yardline, and again Marty Marler went to the air to move the Tigers govtward. Marler, a senior, hit Russ Wood and Perry Fuller on consecutive plays for gains of 25 and 14 yards which moved the ball deep into Trojan territory. Don Horstead then got the call and again rumbled in for a touchdown, but the score was again nullified by a penalty. Four plays later Russ Wood bulled over from 2 yards out and after Alan King's extra point, the Elba lead had grown to 28-11 with 1:49 left in the third quarter.

Troy held the ball for only two plays before the Elba defense forced a fumble and Richie Brown recovered the ball on the Trojan 26 yardline. Don Horstead gained 17 yards on the following play, and then Marty Marler lofted a 9 yard touchdown pass to Russ Wood, who made a diving catch in the corner of the endzone. Alan King made it five for five by again booting the extra point, and the Trojans had pulled away 35-11 with 11:54 left in the game.

Troy returned the ensuing kick all the way to the Elba 22 yardline and scored a play later on a one yard run by Mark Davis. The two point conversion failed, making the score Elba 35 and Troy 17 with 8:38 left in the contest. Don Horstead scored on a 24 yard run on Elba's next possession, but it was again nullified by yet another penalty! The game ended without further scoring as Elba claimed a 35-17 win.

Defensively, the leading tacklers were Richie Brown (81), Russ Wood (71), Greg Ellenburg (71), and Gary Bradshaw with 4 individual tackles and 1 assist.

STATISTICS

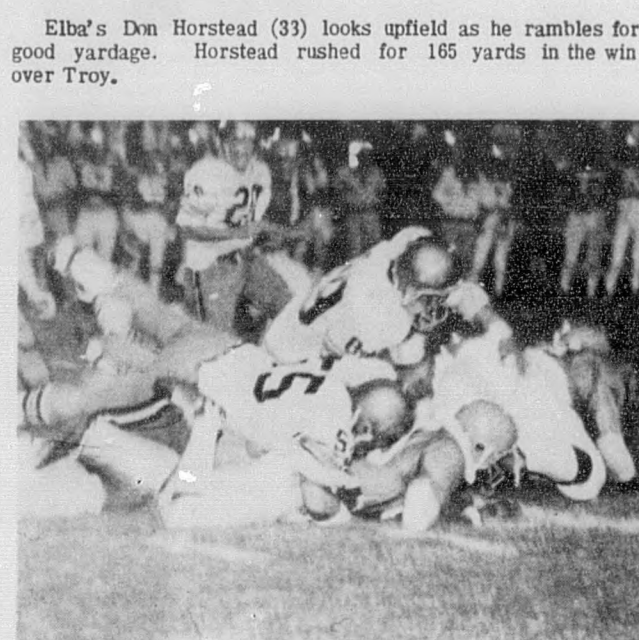

ELBA	TROY
35:04	Time of Poss. 22:56
56	No. of Plays 52
12	1st Downs 11
314	Rushing Yds. 96
88	Total Offense 224
402	6-9-0
3/2	Passes 7-12-1
1-32	Fumbles/Lost 3/2
100	Punts 2-39
	Penalty Yds. 35

Russ Wood (89) finds clear sailing as he returns a kick to midfield. Wood, a senior, caught 4 passes to anchor the Elba passing attack.

Tiger quarterback Marty Marler (15) turns to handoff to one of the Tigers speedy runners.

The Elba defense paced by Richie Brown (55) and Russ Wood (89) makes life hard for the Troy running backs.

Views From The Pressbox

By Ricky Mutaz, Sports Editor

Elba really looked good last week in their 35-17 win over Troy. The Elba offense moved at will and could have scored 60 points except for mental errors. The defense also looked good and totally turned off Troy's running game.

Don Horstead continued to close in on Larry Phillips' sophomore rushing record, and could have gained even more yards than he did. Don had a long 93-yard touchdown called back for his "intimidating tactics" and I bet from now on when he breaks loose he won't look back, and definitely won't wave the ball.

Bobby English looked outstanding running the ball and provided some badly needed inside punch. Bobby showed surprising speed on his long run and proved to be a total player. Bobby's leg injury was still undiagnosed as of Tuesday, but it is believed to be a pulled or torn ligament. I'm sure everyone in Elba joins me in wishing Bobby a speedy and complete recovery!

On the local scene, Opp had quite a scare and needed a long touchdown pass in the closing minutes to claim a come-from-behind win over Rehobeth 21-16. The Bobcats have an off week this week (they play Geneva) before vinding up the season with T. R. Miller and Andalusia.

Zion Chapel had a surprisingly easy win over New Brockton 30-0. The Rebels cashed in on Goatscock errors and took the win.

Brantley suffered an "upset" of sorts when they were tied by Wicksburg 20-20. I thought the Bulldogs had finally put it all together, but I guess the Panthers set them back a notch. Andalusia had no trouble as usual, and blasted Ashford 50-11. The Bulldogs didn't run up the score, but apparently made sure they had enough points before slowing down.

Troy State's perfect season was blocked Saturday when they lost 45-7. The Trojans ain't that bad!

The Elba High Band will be in some competition this week when they enter a marching contest in Georgia. Elba has a fine band and should be proud of them!

Ye Ole Polish Prognosticator had a 15-4-1 record last week, and continued to show signs of improvement. However, my girl friend outkicked me last week, and this week I'll try to even the score!

ELBA - ASHFORD
The Yellowjackets are full of tricks and could escape Elba's lot of trouble. I'm again looking for a high-scoring game. Elba 34 - Ashford 26

ZION CHAPEL - CLAYTON
The Rebels have a good team, but could have a letdown this week against Clayton, a team with only one win. I think the Rebs will get up just in time to win. Zion Chapel 27 - Clayton 16

NEW BROCKTON - LONG

The Gamecocks have a steady team and they have a good defense. However, I don't know if they can score enough points to win this one. Long 50 - New Brockton 6

KINSTON - WICKSBURG

A state playoff berth is on the line and Kinston could pull off a shocker. However, teams with speed cause the Bulldogs trouble, and Wicksburg's got speed to burn. Wicksburg 26 - Kinston 13

ARTON - COFFEE SPRINGS

The Purple Cats vs. the Golden Bears - It sure will be a colorful matchup! I don't know why, but I'm picking the Bears in an upset. Paint the Cats blue! Coffee Springs 22 - Arton 14

Elba Country Club

To Hold 4-Ball

Tourney

The Elba Country Club will hold its first annual Invitational Four-Ball Tournament on Saturday and Sunday, October 28-29.

Entry fee for the event will be \$60 per two-man team, and 40 teams will be accepted. Entries will be accepted up to the day of the tourney, and teams may be entered by contacting Johnny Martin at 897-6600 or 897-5084.

A dance will be held on Saturday night, October 28, and it will be open to all club members and tourney participants.

The Elba Country Club being played as a par 4. Cash prizes will be awarded to all winners.

Ashford, meanwhile, opened with a win over Geneva and later dumped Troy. The Jack-ets have lost to Dale County,

Zion Chapel Rebels Blast New Brockton 30-0

It was homecoming at Zion Chapel last Friday night, as the Rebels added to the excitement by blasting the New Brockton Gamecocks 30-0. The win upped the Rebels' record to 4-2, while the loss leaves New Brockton with a 3-3 record.

The two cross-county rivals battled to a scoreless deadlock after one quarter of action, as the defensive units dominated play. In fact, it was the Rebel defense that set up the game's initial score. The break came when Chris Sanders scooped up a fumble at the Rebels' 26-yard line, and returned it all the way down to the Gamecock 5-yard line. Two plays later big fullback Leslie Hussey got the call and bulldozed over from one yard out. Boyd Deal added the extra point to give Zion Chapel a 7-0 lead.

The Rebels upped their lead to 14-0 before the half when halfback Corky Ward raced 70 yards for a touchdown. Deal again added the point after, and the Rebels were in charge. Zion Chapel drove deep into Brockton territory in the closing seconds of the half, but came away empty handed when Deal's 26-yard field goal attempt missed the mark. At the half, Zion Chapel went in with a surprising 14-0 lead.

The third quarter was a replay of the first, as both defenses again took charge. Late in the quarter Ray Marler hit Corky Ward with an apparent 26-yard touchdown pass, but the score was nullified by a penalty. The Rebels moved to the Gamecock 14-yard line a few plays later following a pass interception by Tony Calhoun, but the threat was again thwarted by the stubborn New Brockton defense. The Gamecocks took over on downs, but failed to move, and on fourth down, disaster struck when the center snapped the ball over the punter's head. Zion took over on the 11-yard line, but again couldn't push

The homecoming game between Zion Chapel and New Brockton proved to be a hard-hitting, well played contest.

it across for a touchdown, and had to settle for 3 points when Byron Foley kicked a 29-yard field goal. The score made it 17-0 with 6:01 left in the game, and it was obvious the Rebels had won number 4 all locked up.

New Brockton seemed to be "snakelike" as they fumbled away the ensuing kick right back to Zion Chapel. On the next play, Rebel quarterback Ray Marler put the "icing on the cake" as he tossed a 27-yard scoring strike to Byron Foley. Foley added the extra point to up the 2C lead to 24-0.

Following the score, Zion Chapel surprised the Gamecocks with an onside kick, and Ricky Dorman scooped up the ball and rambled to the New Brockton 1-yard line. From there, Dorman McClain carried it over as the final score of the game, but again couldn't push

night made it 30-0. Corky Ward paced the Rebels' 26-yard field goal attempt missed the mark. At the half, Zion Chapel went in with a surprising 14-0 lead.

Mac McLendon Enters Pensy Open

Mac McLendon, 1978 Citrus Open champ, headlines the latest entries received for the 1978 Pensacola Open to be held at the Perdido Bay Inn and Country Club on October 26-28.

McLendon, out of Pine Harbor Beach, Fla., is best known for the distinction of having won the first PGA Tour event he played in, the 1968 Magnolia Open. The 11-year veteran owns two titles, the 1976 Southern Open and the 1974 Walt Disney World National Team Championship, which he captured with Robert Green. In addition to his \$40,000 first-place check from the Citrus this season, he has three additional top 10 finishes - a tie for fourth in the Heritage and a solo seventh in Milwaukee.

Other top pros to enter recently include Mark Hayes, Gay Brewer, J. C. Sosa and Dave Hill.

SPORTS

Brantley fullback Tony Pynes (39) bulls over from one yard out for a Bulldog touchdown. The Dogs had their hands full in the game and had to settle for a 20-20 tie against Wicksburg.

Battle Of Wicksburg Ends In 20-20 Tie

Two Class A powers battled for 48 minutes Friday night, and when the gridiron war ended, nothing had been settled as Brantley and Wicksburg fought to a 20-20 tie. The battle field was Wicksburg, and the generals in charge were Wicksburg's coach Tom Vickers and Brantley's coach Mike Sasser. Each coach used contrasting field maneuvers in seeking the victory, as Wicksburg relied on the power and strength of huge tank-like runners, Ricky Bender, a 6-4, 200-lb. fullback, and Shelby Knight, a 5-11, 185-lb. tailback, while Brantley shelled the Panther defense with artillery-like passes from field general Stan Haws. Wicksburg scored two first-half touchdowns on a three-yard run by Knight, and a 24-yard pass from QB James Moates to receiver Tony Johnson to capture a momentary 14-0 lead. Both TD's came at the end of impressive drives with the Panthers showing Brantley the most devastating running game they have seen this season. But Brantley hung tough, and with 1:23 remaining in the first half, Tony Pynes climaxed a Bulldog drive with a one-yard plunge to make the score 14-6. It appeared that's the way the half would end; however, it was not to be. Wicksburg returned the ensuing kickoff to the 45-yard line, and on the first play, Brantley's Allen Frazier recovered a Panther fumble at the 47. With the scoreboard now showing 16-6, Wicksburg made one final effort only to be stopped by Brantley defenders on the ten-yard line. Charles Hammond paced the "Dog" defense all evening as he made 12 tackles to be followed closely by Jim Oros with 11.

The battle ended tied, Brantley 20 - Wicksburg 20, but the war is not over. If Brantley can defeat Highland Home, and if Wicksburg can defeat Kinston, both teams will capture their area championship. If this happens, the war will continue at Brantley as they will face each other in the opening round of the Class A High School play-offs.

The second half saw Wicksburg's Ricky Bender score from four yards out on their first TD pass from the split-end drive. From this point both teams battled around the middle field area into the fourth period of play. Brantley's Billy Christian recovered a Wicksburg fumble at this stanza of the game, and behind the running of fullback Tony Pynes

Rose Show To Be Held At Farm Center

Coffee County's first accredited Rose Show is scheduled for Saturday and Sunday, October 14 and 15 at the Coffee County Office Complex in New Brockton. The Bill Weavil Rose Chapter of Enterprise is the host for this fall show.

Hundreds of roses will be on display Saturday, between 8:00 and 5:00 and Sunday, from 1:30 until 4:00.

There is no admission charge for this event. Mrs. Clyde Jackson, president of the local club, has appointed the following committees for the show: Chairman and Co-Chairman, Mr. and Mrs. Frank Jackson, Artists, Mrs. Clyde Jackson, Artist, Mrs. Clinton Fultford of Clayhatchee and Mrs. Luther Rev-nolds; Placement, Mrs. V.D. McCreary of Elba; Classification, Mrs. Robert Conner of

Elba and Mr. Clyde Jackson; Staging, Mr. Robert Cooper; Mr. and Mrs. Addison Prescott of Chipley, Florida; and Mr. Clyde Jackson; Awards, Dr. James Stanley; Clerk, Mrs. John W. Sessions; Finance, Mr. and Mrs. Dan Robinson; Judges, Mrs. V.D. McCreary and Mrs. Robert Cooper; Dis-mantling, Mr. Ted Martin and Mr. Royce Walker of Ozark; Hospitality, Dr. James Stanley; Mr. and Mrs. Ray Hayes; Reader, Tallying, Dr. V.D. McCreary; Welcome, Mrs. W. O. Mills of Clayhatchee.

This is an open show and anyone who grows roses is invited to submit entries for competition. There will be a novice section for those who have never won more than three blue ribbons in an American Rose Society sponsored show.

Persons admitted to the Elba General Hospital during the period of October 3 through 9 include: Freda Hicks, Gerald White, Elba Kay Eldridge, Ouida Pay, Bailey, Michael Van Johnson, Zol King, Charles E.
